PreK-6th-grade students have a set daily schedule. Students can enroll full-time or part-time. Please indicate if your elementary student will attend full-time or part-time in one of the spaces below.

For 7th-12th-grade students may choose a full-me academic schedule, which typically includes 4 core subjects and 2 electives. Any combination of 6 classes is considered full-time.

Part-time is also available. Students taking fewer than 6 classes will be considered part-time and can take just the classes they need.

Students may enroll in more than 6 classes as well, for an additional cost per class.

Study hall enrollment is a great option for students who have a gap in their schedule.
